**Uredo cundinamarcensis Mayor (Urediniomycetes, Uredinales)**

Verified By: Erica On Mar 18, 2005

**Nomenclature**

There are no known nomenclatural or taxonomic synonyms.

**Geographic Distribution and Plant Hosts**

Most of the references in the plant host database (e.g., Kern et al. 1933; Dennis 1970; Buritica & Pardo Cardona 1996; Pardo Cardona 1998) appear to refer to the original collection of *U. cundinamarcensis* on *Apium ternatum* (Willd.) Thellung var. *ranunculifolium* (H.B.K.) Thellung by Mayor (1913). The record of *U. cundinamarcensis* on *A. ternatum* in Brazil was reported only by Watson (1971) with no supporting details.
